PORT OF CHELAN COUNTY TO HOST PORT SIDE ECONOMIC DEVELOPMENT LUNCH

The Port of Chelan County will host an informational lunch at Noon on November 7, 2016, at Campbell's Resort, 104 W. Woodin Ave, Chelan, Washington. This lunch is free and open to the public. It is designed to inform about Port projects, economic development projects and activities in Chelan County, and Pangborn Memorial Airport. The Port holds quarterly luncheons in different communities within Chelan County to inform the public about Port activities and to gain feedback from its constituents.

Topics to be discussed include: State of the community featuring Chelan Mayor Cooney, a Pangborn Memorial Airport update focusing on commercial passenger performance and air service development efforts, and an update from the Lake Chelan Chamber on current initiatives. There will also be time for questions and an open discussion. The Port requests RSVP's to Cami at cami@portofchelancounty.com by no later than noon on November 1st, 2016.

Please direct questions to Craig Larsen, Business Development Director, at craig@portofchelancounty.com or call Craig at 663-5159.
