## **Leading Technology Company Puts Down Roots in Wenatchee**

Seattle, WA, USA, April 20, 2018

Subsplash®, the leader in mobile technology for churches, has just announced the opening of their new office in Wenatchee, WA. Headquartered, in Seattle, Subsplash has been looking for the right opportunity to plant roots in the Wenatchee Valley.

“Subsplash is growing, and we could not be more excited to expand our company to the Wenatchee area as we continue to fulfill our mission and delight millions of people around the world using the Subsplash Platform,” said Tim Turner, Founder, and CEO.

Tim Turner founded Subsplash in 2009 and has been building the company together with his wife and co-owner Kristy Turner, who grew up in East Wenatchee. Now, with a team of 80+ employees at the Seattle headquarters, Subsplash has plans to hire 15-20 new employees in the next coming months to work in the business incubator space at the Pybus Public Market. The future is bright for Subsplash as they pursue planting roots in Wenatchee with a more permanent location in the coming year.

Subsplash has created enterprise software for world-class brands like XBOX, Microsoft, Samsung, Expedia, and Cisco, and their work has been featured in Wired, Engadget, Gizmodo, and the Wall Street Journal. Their Mission: Glorify God and proclaim Jesus is Lord by building a great company that drives for humility, innovation, and excellence to delight millions of people on Subsplash platforms.

“At Subsplash, our goal is to make the truth of Jesus incredibly accessible. We built the first church app for iPhone back in 2009, and we have been creating innovative tools that equip church leaders ever since,” said Tim Turner, CEO of Subsplash.

Subsplash is the #1 app provider for churches, with over nine years of experience working with thousands of churches around the world, including over 50 of the 100 largest churches in the U.S.

Bible teachers like Greg Laurie, Andy Stanley, Matt Chandler, Levi Lusko, Rick Warren, and many more are tapping into the power of the Subsplash platform to share gospel-centered content to the next generation of mobile users.

Subsplash is offering current employees relocation packages and is looking for talented individuals join their team! Interested parties can learn more at [www.subsplash.com/careers](http://www.subsplash.com/careers).
