Aviation Day Success at Pangborn Memorial Airport

Aviation Day 2016 was a fun filled event for about 2,000 visitors. The day was filled with about 30 aircraft on display including a glider, floatplane, helicopters, FA-18 Hornet, Miss Veedol and many other aircraft. About 500 children visited the kids area which included the Wenatchee Valley Robotics club and the Numerica Photo Booth, and many visitors took the helicopter or airplane ride for a wide eyed experience. Be sure to put June 10, 2017 on your calendar for Aviation Day 2017. Fly Wenatchee!

Pangborn Memorial Airport Board Approves Sublease for Salcido Connection Inc.

The Port of Chelan County Commission, acting as the Pangborn Memorial Airport Governing Board, approved the Port of Douglas County's request to sublease business park property to The Salcido Connection Incorporated. The Governing Board approved the sublease of property described as Lot 17 in the Pangborn Memorial Airport Business Park. The Port of Douglas County had previously stated The Salcido Connection Inc. will house a data-center on the property for Bitcoin type operations.
