

Media Release – February 23, 2016
Pangborn Memorial Airport Runway
Closed July 17-25

The Pangborn Airport runway will be closed from 6:30pm on July 17 through 7:00am July 25 as part of the final stages of the Runway Extension Project. The closure is necessary to install new high intensity runway lighting, sealcoat the runway, and restripe the runway to appropriately mark the new runway length of 7,000 feet.

Commercial Flights in and out of Pangborn Airport are not available for reservations during this timeframe. All General Aviation planes will also be prohibited from landing. Helicopter operations will be allowed to continue during the runway closure. Please make alternative travel arrangements during this time.
